President Stephany, Rotarians and Guests:

So far as a Junior School we have raised over \$1500 which will be used to purchase Food Vouchers and Metro Cards for each backpack.

In total we are aiming to make 20 backpacks; 10 for middle aged men and 10 for women aged over 50.

We look forward to the opportunity to make a difference for the people experiencing homelessness.

We thank you for inviting us here tonight and for your ongoing support.

Pictured left are President Stephany with Lily Cartwright-President, Ruby Cartwright -Treasurer, Christine Falco Charles Campbell College teacher and Chair Kevin O'Neil .

• **Jane Gascoigne then spoke on Rotary Information regarding Rotary Health .**

Australian Rotary Health has a broad vision to improve the health and wellbeing of all Australians.

Australian Rotary Health provides funding into a broad range of general health areas, including the Indigenous Health Scholarship Program, which is what I would like to talk to you about tonight.

Indigenous Health Scholarship Program is a cooperative project between Rotary and governments in Australia.

- The project provides a scholarship of \$5,000 per year to assist Indigenous students in health-related professions – *\$2,500 from Rotary with matching \$ from Government. (State or Federal)*
- over 25% of all graduated Indigenous Doctors have received scholarships through the Australian Rotary Health Indigenous Health Scholarship Program

The program commenced in 1999, initiated by Geoff Bailey OAM, a member of the Rotary Club of Mitcham. Geoff had worked around indigenous people as a pharmacist in Pt Augusta and was acutely aware that Aboriginal and Torres Strait Islanders do not access or benefit from mainstream health services to the same extent as other Australians:

- Health services are not accessible to many, particularly in remote Aboriginal communities.
- Mainstream health services often lack cultural sensitivity and remain unwelcoming places for many Indigenous peoples. The Indigenous health workforce remains disproportionately low when compared to the number of Aboriginal and Torres Strait Islanders that make up the Australian population.
- Aboriginal people have higher rates of ill health than any other group in Australia.

Having more Aboriginal and Torres Strait Islander health professionals working in health service delivery, provides for more culturally appropriate health care.

The program started with 2 students. Geoff then started recruiting other clubs to support the program. In 2001, there were 7 scholarships by 2002 it doubled to 14 scholarships.

At Geoff's instigation administration was taken over by Rotary Health in 2003. This helped spread the program Australia-wide.

The Rotary Club's commitment is \$2,500 per annum paid to Australian Rotary Health.

Students are paid the scholarship twice a year – after passing subjects

Clubs provide mentoring and support to the students.

In 2020 88 scholarships were awarded in all States and Territories of Australia
20 of these were in South Australia.
You may remember our student Casey Cameron who graduated last year. Casey came to the Club on several occasions. Casey studied Nursing.
See Pic 1 left – Casey Cameron on the far right at a previous meeting in 2019 with Jane Gascoigne and then President Benny.

I am very proud to be part of a Club who has supported this program over many years.

Our first student was Rebecca Richards who went on to be the first Indigenous Australian to be awarded a Rhodes Scholar. She is now studying for a PHD and tutoring at the University of Adelaide. *See Pic 2 - Rebecca Richards*

GUEST SPEAKER

• Chair Kevin O'Neil introduced our Guest Speaker Claire Arthur.

Claire is a four-time Australian Senior Trampoline Champion.

Claire is a member of the Australian Trampoline Team which strived to qualify for the 2021 Tokyo Olympic Games.

She has represented Australia at over 16 international competitions, making the finals at World Championships and World Cups in the synchronised event.

Claire grew up in the Adelaide Hills with her younger brother and parents.

She has been doing gymnastics and aerial sports all her life including artistic gymnastics, diving and trampolining.

Outside of the gymnastics world, Claire is currently studying Physiotherapy in her 4th year.

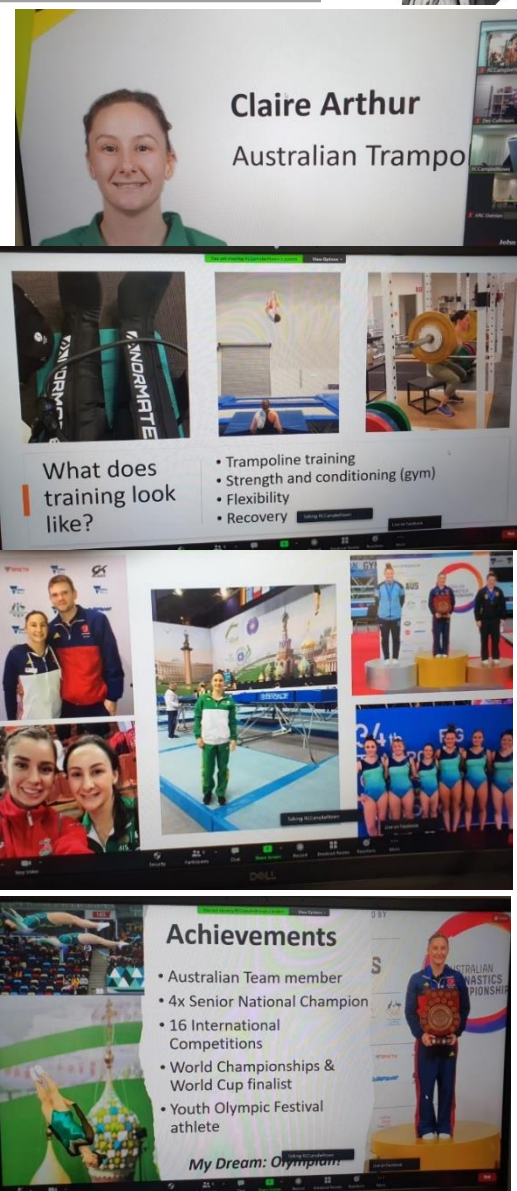

Claire works as a physiotherapy assistant and coaches at Gymnastics SA and Blackwood Trampoline Sports.

Claire works with the Australian Olympic Committee as an ambassador bringing the Olympic Unleashed Program to primary schools. This program inspires students to find and unleash their passion.

In her spare time, Claire loves to travel - her favourite country is Italy where her family is from. Claire returned from Italy only last month following the final Olympic qualification event.

She loves to cook, hike, go to the beach and hang out with her friends and family. I'd like Claire to come forward and share her experiences with you.

- Claire began by saying she can just remember watching her 1st Sydney 2000 Olympics as a young child and she realised

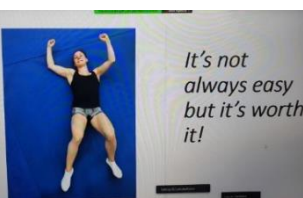

then that it was such a **big deal and was so exciting. So began her dream and passion to strive for the Olympics.**

Claire also shared an amazing video of her trampoline **2019 World Championship** held in Tokyo. See Link [Here](#)

Each trampolinist does a compulsory routine and a voluntary routine. Judges score based on difficulty, execution, time of flight and horizontal displacement.

Claire trains 12x a week and fits that in with study and work. A typical day is 5:30am training, then to Uni, then to work followed by training in afternoon followed by recovery. She unfortunately did not manage to qualify for the 2021 Tokyo Olympics. She is proud that she had a go and put in a 100% effort.

Everyone should find what they enjoy doing and to make your goals around that.

In conclusion Kevin thanked Claire for sharing her ups & downs 😊

Pictured above right are President Stephany, Claire and Chair Kevin O'Neil.

Exclusive Wine Purchase Offer from Blackwood Rotary Club

This year we have been very lucky to secure this full-bodied Shiraz from Serafino Wines in McLaren Vale. It's not the usual clean skin with our label on it. It is in fact, a completely new line they were producing when something went wrong with the order, and I happened to be there when the deal fell through. It was to be priced at \$25.00 per bottle, but Steve Maglieri (the owner) said we could have it for less than 1/2 that as we are doing it for Rotary (of which he used to be a member), so we can sell it at \$150 and everyone wins. It really is a top drop. Full bodied with the usual plum, blackberries and a hint of spice all presented in Serafino screwcap (check out the attached photo) which will improve over the next 10 years - if anyone can resist it for that long. And where can you buy a good quality McLaren Vale Shiraz for around \$12 a bottle - well, you just can't!

For just \$150 per dozen, you will get \$300 worth of wine - so please ask around your family and friends and get back to me with your orders by return email and we'll make the necessary arrangements for collection or delivery. If anyone has any queries or wants any further information, please don't hesitate to contact me.

Regards,

Graham Lough, Secretary, Blackwood Rotary Club, Mobile 0418 198 111

Fines session by Sgt Aaron – (any fines? please contact the Sgt.) Benny spat the dummy at golf today as it wasn't a good round, hope he has better luck getting to Qld before the borders shut; Karen was on the door today and she was looking for the best dressed male which goes to Fine incoming ;those who haven't got red hair (Editor: Sgt Aaron has red hair) ; those who weren't at the District Changeover ?

Welfare officer's Report- Thanks to Peter Rumbelow

- Mal Hansen is starting a course of 40 Hyperbaric Therapy treatments but says he will be ready for CROE in September.

Rotary Youth Sailing Challenge

What is it?

Five challenge-filled days sailing a tall ship, where great life lessons are learnt and wonderful friendships formed.

It involves learning the complexities of sailing, climbing the rigging, navigating, helming the ship, working as a team, standing 4 hour watches, instantly obeying orders and keeping the vessel ship shape.

All this happens on a moving deck without mobile phone contact.

How can Rotary Clubs become involved?

- Identify and sponsor a suitable 15-18 year old student
- Voyages in the Sep/Oct and April school holidays

For more information:

- See our website at www.youthsailing.com.au or
- Contact David Binks (0438 221 937) or Bill Walsh (0427 396 258)

FUNDRAISING LUNCHEON SUNDAY, 29TH AUGUST 2021

12:30PM TO 4PM

AT THE ADELAIDE PAVILION SOUTH TERRACE, ADELAIDE

NEVER GIVE UP

BE THE REASON SOMEONE SMILES TODAY

At the conclusion of the meeting everyone enjoyed the national anthem, as sung so beautifully by talented young Bella Stobie.
