- **Following the Sports Grant presentation P Vince made some announcements.**
 - The Hawker Hay run is growing at a rate of knots.
We as a club need to recognise and thank Mal & Val Hansen for this project in conjunction with RAWCS.
We have also had enquiries from outside of Hawker and Mal is looking into it further.
This is a great project for the Rotary Club of Campbelltown.
 - Last Friday VP Elizabeth Gagliardi, Community Services Director Amanda Thomas and I met with Karyn Alford and Rebecca Terminello of Paradise Primary and had an informal discussion about their wish list. Many items on their list is doable by us as a club and I will soon be presenting it to the board.
 - After we left the Paradise Primary School we went to the Council Chambers and met with Tracy

Johnstone, their Community Services Officer. We had a discussion regarding a “Drop in Centre “ for Campbelltown aimed at the socially isolated and those financially disadvantaged within our local community.

Tracy had some excellent ideas and looked at trends in the area which were most helpful in understanding the needs and what may be most useful and achievable.

The Council will partner with us on this project together with other institutions and services in the area.

I am hoping that with a positive outlook and attitude our club will be “pivotal” in establishing this project.

- **PP Benny is an apology tonight and has left a message that the Shed is hoping to hold a furniture sale in two weeks and a general sale on the last Saturday of August.**

Secretary Susan Harris made the following announcements

- Can you all please check Clubrunner and see that your personal details are correct Link [Here](#)

Please let Amanda know if you can help or know someone.

Mal Hansen spoke on the Hay run to Hawker this Friday.

- Mal spoke to the truck driver yesterday and the truck is going to Keith to collect the hay arriving in Hawker this Friday. There are 40 tonnes going up , 76 bales with 32 farmers registered with 2 bales each and the balance to be worked out on the day. There will be a BBQ bacon and eggs breakfast and a sausage sizzle at midday when the truck arrives. Thanks to those who have offered to assist and it’s not too late to join in.

- Public Relations / Public image- Our recent "Thank our first Responders and Health Care workers" campaign where we placed posters in local businesses and signs at prominent locations within the local community was a great success and well supported within the community. It is something we can be proud of and raises awareness for community and local support for those working to keep us safe on the frontline for covid19. When you see these signs as you go about your daily business it makes you aware of the health workers, the communities support and Rotary all working together.
- Stephany proposed a motion that the meal cost at San Giorgio be raised to \$25. The reasons for this rise were circulated in an explanatory email last week and were available in paper copy on the night.
Amanda Thomas seconded the motion. The motion was passed successfully.
Please note therefore that the new meal cost of \$25 comes into effect as from next Monday 3rd August.
