Jane Doyle

Jane Doyle has presented the Channel Seven News in Adelaide since 1989. Her media career began more than 40 years ago when she left the secure, and relatively well-paid job of schoolteacher, for a newspaper cadetship on trivial money in a Far North Queensland country town.

In 1987 Jane was seduced by television, firstly, as a relief news presenter, and then in 1988 was appointed the Monday to Friday reader for ABC TV in Adelaide. Jane left 'Aunty' in 1989 and has now spent 32 years working for South Australia's number 1 television news service – Seven News.

Jane is Chair of Carclew – a youth arts organisation.

Members announcements:

- **DGE Jeff Neale's article in the latest District Governors Newsletter.** -Link [Here](#) and copied below. The focus on the new Rotary Year will be on membership and those who can serve. Please see page 3 of the District Governors letter for the new theme Logo which will be launched soon.

DGE Jeff Neale

It is just shy of two years, 17th Feb 2019, when I was selected as District Governor for 9510 in 2021/22. The two years and five months away then is now only five months. Jenny and I are looking forward to leading the District and we are excited about the opportunity to visit every club in the District – hopefully face to face.

The last 18 months has seen us all face varying challenges in our personal lives and also in Rotary. COVID-19 has presented one of our largest challenges. Fortunately, Rotarians have stepped up and met this challenge with support to those in need in the community, but also many switched their meeting nights to Zoom meetings to ensure their club was able to keep working and members were safe.

I can report that plans for the 2021/22 year are well underway. I am just putting the final touches in place so that we can lock in training for all our leaders. All being well, training and the District assembly will remain a face to face proposition.

Jenny and I are about to attend the International Assembly – virtually over 10 days. The first general session is at 12.30am on Tuesday where the RI theme for 2021 will be announced.

We then have sessions each morning at 12:30am, and breakout sessions around lunchtime each day. It is disappointing not to be attending in person, but obviously there is no way it could have gone ahead given the current global situation. However, Rotary has done an excellent job in preparing to present the Assembly online and from what we have seen, the experience will be as good as can be, under the circumstances.

Jenny and I would like to thank District Governor David and Lyn, and District Secretary David Fenton, for their help and guidance in our preparations. We also acknowledge my own Rotary Club of Campbelltown and a string of past District Governors for their support and advice.

- **PE Stephany Martin** spoke on the upcoming District Conference for Friday **16-Sunday 18 April 2021- Westminster School in Marion**

Because covid restrictions are easing, there are plenty of tickets available for the conference. If anyone is interested in attending, they should book now & please see Steph.

Ordinarily we would have a club dinner on the Friday night of the conference.

Considering the conference is in Adelaide this year, we are opening it up to the entire club regardless of whether they are attending the conference. Stephany then asked for an expression of interest by a show of hands on those who are interested in attending the dinner.

Rotary D9510 - 2021
Conference

- **Netty Heinrich International Director** spoke on the Philippine Optical Missions Fundraiser Dinner Sat 22 May at San Giorgio 6pm Tickets \$50. Please see Flyer. 'We need raffle prizes so if you can donate or speak to anyone who can?', please see Netty.

- **Benny Bosman - Help needed at the shed.**

- The shed is a major fundraiser for our Club. Over the last couple of years members doing pickups, for various reasons have dropped off. We are in need of others to put themselves on the roster to help out during the week.

It has also been suggested that we start up a Saturday morning run for those willing to help but work during the week.

So the crux of the matter is if you want to keep the fellowship and funds happening from the shed, we need help.

Please come and see me after the meeting if you can help, Thank you

- Mal & Val Hansen delivered furniture and other goods to the Murray Bridge Domestic Violence Centre in the Paradise Motors truck to the value of \$360 from our Shed. Thanks for your efforts.

- **Elizabeth Gagliardi gave a brief update on the numbers assisted by the Club's sponsorship of the recent zoo visits .** There were- Bush fire Families - 41 Adults 53 Children, Migrant Families- 38 Adults and 46 Children and 10 Carers.

- **Youth Director Nikki Rowe spoke on the Movies in the Park for Saturday Feb 20 - 6pm-10:30pm – Organised by YAC.** We are doing the BBQ and need volunteers. Please contact Nikki Rowe.

- **Damian Leach** briefly spoke on membership and mentoring; he has recently written articles and done webinars on membership; the update of Club records; how to better engage members; the focus of membership and another Leadership Course in April. He congratulated those who attended last weekends Rotary Leadership Seminars.

- **Margaret Beare spoke on her attendance, together with fellow members** Kevin O'Neil, Kevin Hill & Denise Dinham at last weekend's **Rotary Leadership Course** at Charles Campbell College. She was impressed with the depth of knowledge of the presenters including our own Damian Leach. It was amazing how much she & the others learnt about Rotary; it makes you think out of the box and how to consider others' point of view; how best to react to different scenarios and reach out to others. There were information sessions and then we were divided up into groups which was the best way to learn and get to know everyone, especially from other clubs. The fellowship was great, and she made many new friends and contacts.

"Thanks to Damian Leach and the other presenters for making it such an enjoyable and worthwhile event and I encourage all members when tapped on the shoulder and asked to attend. You won't regret it. "

Guest Speaker

- **Chair Brian Stevens introduced guest speaker Dr Tim Lathlean.**

Dr Tim Lathlean is Adelaide born and bred- growing up in the greater Unley area. He completed his PhD at Monash University in Melbourne and has recently returned from Armidale, NSW where he worked as a Lecturer at the University of New England. Clinically, Tim is an Accredited Exercise Physiologist (AEP) and Accredited Exercise Scientist (AES), helping patients prevent and manage chronic disease as well as helping to identify, prevent and manage injury. Tim has supervised over 16 students in the applied sports science/injury setting as well as 7 Masters' students from four different Universities across primary health care and community health care settings. While working at a Grade 3 AEP in community health in Victoria, Tim managed a team of staff including physiotherapists, allied health assistants and AEPs. For his research endeavours, Tim's PhD focused on the epidemiology of sports injury in elite junior team sport, where he carried out a prospective study with 562 football players across 9 clubs. This work has led to a number of presentations at national (SMA, ESSA) and international (IOC, Aspire) conferences and 6 research publications. Tim maintains his research and clinical interests actively supervising students in the

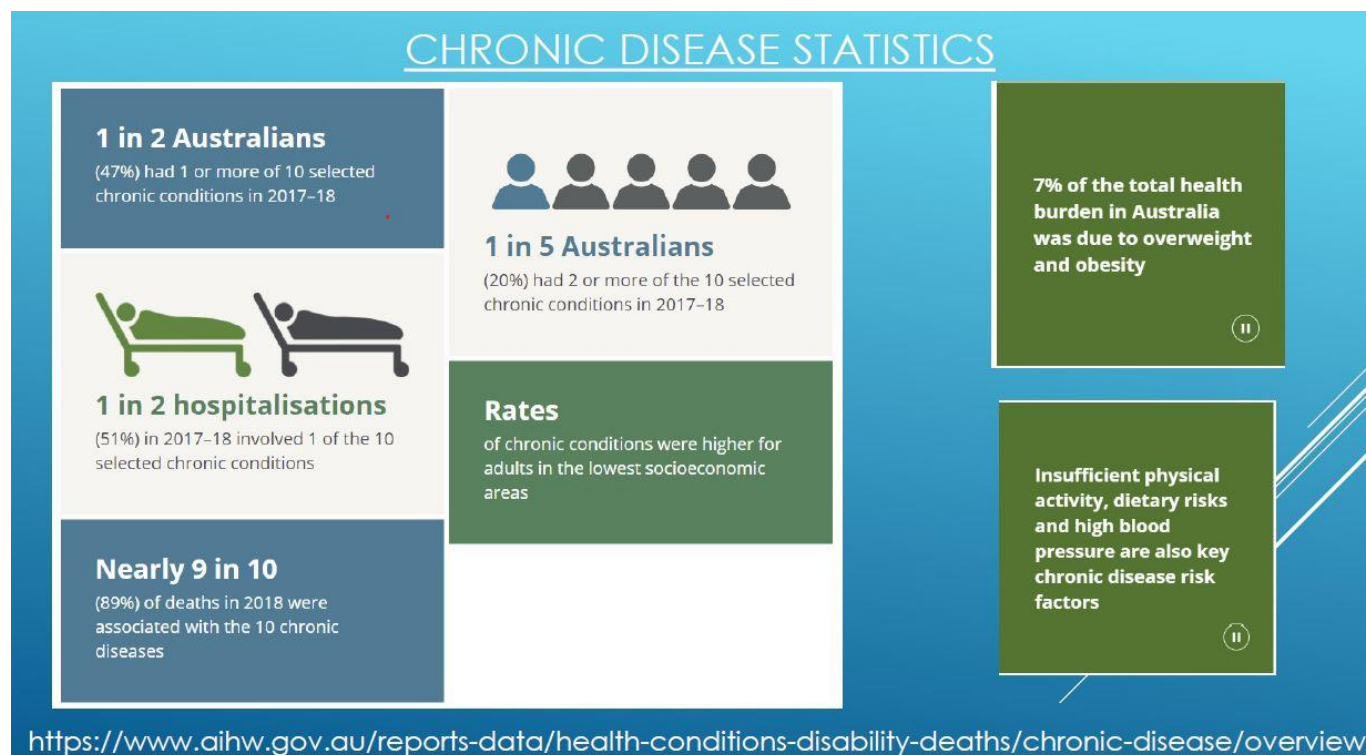

university sector. For leisure, Tim enjoys hiking around Adelaide with his young family as well personal fitness and team sports.

Tim is married to Tanya. They have a 23-month-old son William and a little brother not far away. Tim is my neighbour in Rostrevor.

Tim then gave his presentation on Exercise Management for Chronic Conditions.

WHAT IS AN ACCREDITED EXERCISE PHYSIOLOGIST?

- Accredited by peak body Exercise and Sports Science Australia*
- Member of National Alliance of Self-Regulating Health Professions^
- Prevention and management of injury and/or illness
- Involved in “sub-acute” care
- Work as part of broader multi-disciplinary team
- Focused around prevention and management of chronic disease

EXERCISE PHYSIOLOGY AND HEALTHY AGEING?

ESSA: accredit AEPs for the prevention and management of chronic disease

COTA: Health Promotion and Prevention – programs to assist older people to remain healthy, active and out of hospital

People affected from any of the Chronic conditions (see right) can benefit both mentally and physically from following a managed exercise program tailored for there condition. DR Tim discussed some of the above in more detail and discussed that research showed the benefits of exercise in both prevention and chronic condition management.

Some of the questions asked following his presentation were:-

CHRONIC DISEASE

What is the recommended type of exercise for the average person?

As a general rule 150-300 minutes of exercise /per week (20-40mins /day). Better some exercise than none; mixing the intensity of exercise workouts is beneficial; doing resistance strength training 2-3 x/week is also good.

Exercise as a prevention to Chronic Disease?

Research shows that exercise is beneficial mentally and physically and can reduce and mediate risk in the prevention of chronic disease.

What about Post-Polio Syndrome?

This is a neurological condition and though you may believe this affects only older people there is a case in Melbourne recently of a SriLankan girl who was only 25 yo. An exercise program needs to be tailored to each individual case to suit their condition and ability.

Where to go locally for managed exercise programs? See below.

EXAMPLE PROGRAMS

- Heartmoves Walking Groups: Campbelltown, Rostrevor, Paradise
- Strength for Life (COTA); Strength for Life Aqua
- Individual AEP Consultation/Group Exercise:

Campbelltown Rotary Outback Experience 10 (C.R.O.E. 10)

The forms have been sent out to those who expressed interest in coming on the CROE 10 adventure. If you have not received yours, or wish to join us.... read on and act quickly.

3rd September to 12th September.
We will spend our time once again exploring the Flinders Ranges.

We will have 2 community events while away. This is when we provide entertainment for our pleasure, but invite the local people to come along and enjoy it and support the RFDS while with us.

Beds will be provided for those that need a bed, or an area for tents or swags to be pitched.

Although our 1st 2 nights will mean packing and moving on, this will be followed by 2 or 3 nights in one venue (meaning no packing up in a hurry in

the morning).

We will take the opportunity to explore tracks that are either rarely if ever used or well known, loved tracks that will definitely need a seat in a 4x4.

Don't panic though if you don't have access to your own 4x4 or not able to secure a seat with someone who you know is going, we will do our best to find you a seat.

We will provide all of your meals.

There will be some form of entertainment each night. This will include an auction and fines session. All the proceeds from these go to RFDS. You don't have to carry money with you to pay each night, our trusty book keeper will keep a record of your expenses and you can pay at the end of the trip.

You will see some beautiful areas of the Flinders, some not generally accessible to the public.

You will stay in cabins, shearers quarters or outback pubs, and perhaps a motel, all with comfortable beds, but generally in a share situation.

If you wish to join us please contact Val for the necessary forms to be emailed to you.

This needs to be done asap, as she has to secure beds if needed and time is marching on.

Yours in Rotary

Mal Hansen and the working committee of CROE 10

• Campbelltown Art Show – Sponsors Required- update by Michael McCabe Convenor

The Campbelltown Art Show is on again from 15 to 22 May 2021.

The Art Show is a community event held primarily to support artists and provide them with the opportunity to exhibit and sell their art.

We will require members to help prepare and run the Art Show.

A number of members sponsor the Art Show and I thank them.

There may be new members who would also like to sponsor?

The show includes paintings, pottery, porcelain, photography, and Aboriginal and Islander Peoples' art. Last time we had 378 exhibits, 145 artists and 775 attendees. Sponsors provide cash for artists' prizes.

We include sponsors' advertisements in the catalogue given to all attendees and on electronic screens at the event.

Sponsors are invited to the opening night to present artists' prizes (and to enjoy food and drinks).

The Campbelltown Art Show is organised by the Rotary Club of Campbelltown and the Campbelltown City Council. It is held at the Campbelltown Function Centre, 172 Montacute Road, Rostrevor.

If any members are interested in sponsoring, please contact Michael McCabe.

An English professor wrote the words:

"A woman without her man is nothing" on the chalkboard and asked the students to punctuate it correctly.

All of the males in the class wrote:
"A woman, without her man, is nothing."

All of the females in the class wrote:
"A woman: without her, man is nothing."

Punctuation is powerful.

Welfare officer's (Almoner) Report Denise Dinham ph. 8337 8096 or denise.dinham@gmail.com

- I touched base with our Charter Member, Reg Neale during the week. He was pleased that I rang. He is being well cared for at Walkerville.
- John Bennett notified me of his upcoming operation on his stomach to remove pressure on his lungs & the removal of a hernia. He also has to undergo surgery on his oesophagus to improve swallowing. This is being done at RAH & we wish John well.

For all those who are unwell, under treatment or convalescing and are mentioned in this column your Rotary family are sincerely thinking of you and your loved ones as your welfare and health are of concern to us all. May you get better soon.
