## REPORT

The 2021-2022 Executive Board members have been identified and activated as signatories to our Bank Accounts.

Business banking is yet to be activated , unless this is activated, I will not be able to pay our accounts. The Bank has acknowledged it is their fault and will be rectified soon.

With the help of our past treasurer jane Gascoigne, I have paid all our outstanding accounts relating to the changeover and other expenses.

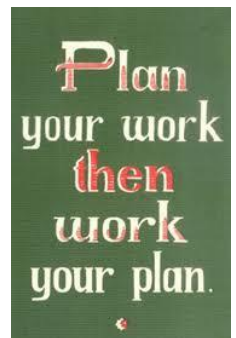

I applied and have received a new eftpos facility linked to our Club Account. Currently, we have 3 eftpos terminals all linked to the Project A/c.

All eftpos transactions received in the Project A/c for the Club A/c need to be transferred to the Club A/c and recorded in MYOB.

This new terminal will eliminate this unnecessary process and avoid mistakes and confusion. ( once this is activated, 1 eftpos terminal linked to the Project a/c will be returned. )

25 members have paid their dues in full and 7 have paid half yearly .

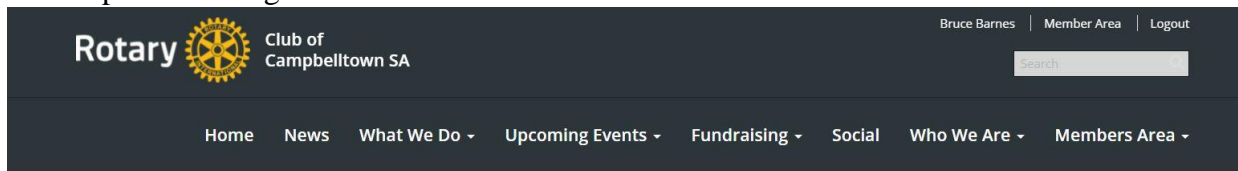

Attendance officer David Munro has informed me that there now 18 non eaters in our Club. !!!!

- The 3 month Community Connections Café Trial goes till 22 Sept . It has been well received though we have only had two meets so far , the numbers are growing and it has a lot of potential . Thanks to all the helpers,volunteers and the Council and staff for supporting this . This week's Connections is cancelled due to covid.

Plan to have in future a light lunch with ideas to trial ,cooking demonstrations, knitting group etc.

( Mayor Jill Whittaker commented that she was very happy that Community Connections is up and running . Many are struggling and she is concerned for the Youth and those living alone. The Comm Connections is a great opportunity to fill the gap and provide a safe ,friendly place to meet , socialise and find support . Thanks to Rotary for working so hard in the community . It is incredible how people have responded and the number of people who have come along to CONNECT. Like the Car Show that was such a success in many ways. It lifts the spirits of the whole community.)

There is a great need in the Community and it is an ideal forum for breaking down isolation , loneliness and fostering Community spirit in a supportive and friendly enviroment. It is also a great way that the Connectees can discover what resources & assistance is available to them in these difficult times.
