• **Babu spoke on the Covid crisis in India and How we can help?**

The Covid – 19 Pandemic has no discrimination of race, creed or religion.

and does not spare where you are and where you come from.

Even the young are vulnerable. Today the epicenter is India.

The media described it as a Tsunami. 400,000 daily cases and a daily death rate of 4000.

This I understand is under recorded.

Hospitals are running out of medical supplies, beds, oxygen and medical staff and volunteers are stretched to their limits working 24 / 7.

Crematoriums are also stretched beyond words. Furnaces melting, bodies are lined up for a basic performance of last rites and they are running out of firewood.

The Rotary Club of Campbelltown is currently working with the Rotary Club of Madras South to provide assistance to the victims and their families.

A Fund-Raising dinner will be held on Saturday 19th June 2021 at the San Georgio Club for the purpose.

Tickets are \$50 per head for a Buffet Dinner, we are also looking for Raffle prizes.

It is important that you please let Margaret Beare know your accommodation preference & numbers attending. She will then give you a booking code & **you can then book personally your accommodation**. - Jeff attended the RYLA graduation Dinner last week and congratulated Damian Walker and Stephany Martin for both receiving awards as recognition for their Youth work.

- **Maria Figg introduced the RYPEN graduates**

It made Maria so proud to see the personal growth and confidence of the students after completing the RYPEN course. The Club was so pleased to sponsor the 6 students and a big thank you to their parents & friends especially the Principal of Charles Campbell College, Kevin O'Neil, for encouraging them to participate in this fantastic Youth Program and support them throughout. We must also thank those involved with the running of the course and making it all possible both from Club & District level.

Maria then asked each of the students to share their experiences of RYPEN. The first to speak was Furtuna and her speech is as below.

Introduction

Good evening, my name is Furtuna Legesse, and I am one of the head prefects and house prefect at Charles Campbell College. Tonight, I would like to mention how grateful I am to be part of this year's RYPEN camp for 2021. There were five students that attended from Charles Campbell College including me, Xuan, Besrat, Andre and Jazailia. (Editor: Cartia was another sponsored student but was from St Aloysius College) There were directors' workshops, orienteering, bush dancing, special guests that came in to talk about values, problem solving, conflict management and public speaking. There were also various activities such as challenge hill, building raft, capture the flag and small group sessions.

Day 1

On the first day of camp as we were registering, I was able to notice the lack of communication due to it being the first time we all got together. In the process of waiting for everyone to come we played a game called ninja which helped some of us feel a bit comfortable in a way. When everyone arrived at the Wood House Activity Centre, we went on to introduce our selves by mentioning what our name was, where we come from, what we wanted to get out of this camp and what color we like by wrapping a string around our wrist. This was used as an ice braker, so everyone gets to know a little bit about others. I know for me and others it worked because everyone had something

in common whether it was the color they liked, where they came from or what they wanted to get out of the four-day camp. After collecting our lanyards with the number of our doom, our name, and a bag that we got that came with a diary that was sort of like a journal book. We were welcomed and went off to our small groups where we did more interaction and activities (such as decorating our rooms and painting our flags as a team). After the small group session, we went on to having dinner and then doing orienteering with our teammates which allowed us to interact with each other more.

The other students (pictured below) all then shared their experiences. All spoke so confidently and enthusiastically on RYPEN. In their own words they were all thankful for the opportunity and thanked Rotary and the Club for making it possible for sponsoring them on this unique program which certainly lives up to it's name: Rotary Youth Program of Enrichment.

In Conclusion Maria reflected that she remembers initially interviewing the students for the program, and she is amazed and proud on how much they have changed and their leadership and personal skills and grown whilst doing RYPEN. She was sure they will go on to new opportunities and change other young lives for the better.

Pictured after presenting the certificates >: Maria Figg (The Club's RYPEN officer) with Andre, Nikki Rowe Youth Director, Xuan, Jezalia, Besrat, Furtuna, Cartia and President Vince

- **Damian Leach ,District Chair Youth spoke on the District Youth Programs especially RYPEN and RYLA.**

- He noted that they nearly didn't have RYPEN this year, as initially they only had 6 applicants for the course but then it went to 83 and was finalised at 67. A great outcome considering the difficult year.
- The RLYA graduation ceremony held recently was a success but it was disappointing that some Clubs weren't represented on the night. This he will follow up and better communicate to the clubs in the future.

Pre-Booking of Club accommodation for Jeff's 2022 District Conference in the Barossa.

- Jeff explained that it is important for members & the Club to ensure that pre-bookings for next years conference are done in the next few days. This will be handled by Margaret Beare.
- Margaret Beare then spoke in more detail on the urgency of booking accommodation For next years' conference. The Conference is in Tanunda. You have to Book your own accommodation . It is all done online . But before you do, please let Margaret know where you wish to book and she will give you a special code that entitles you to a special discount arranged for the conference. Accommodation in Tanunda available at a special rate available from Margaret are :

- [Barossa Wiental](#) - \$205 a night
- [Novatel Barossa Resort Motel](#)- 10% discount
- [Barossa Motor Lodge Motel](#)- \$140 a night
- [Discovery Park](#) (Caravan, camping Park) – Many options

- Margaret is currently negotiating with the first 3 above to have breakfast included in the deal or at a reduced rate.
- It would be preferable that if you are on the Conference Committee or are associated with the management of the Conference that you stay at the Wiental as it will be easier for all.
- Note there is also a range of accommodation nearby to Tanunda & other towns . You are welcome to book there, but no special rate has been negotiated as per Tanunda township.
