Thanks to members and partners who helped make these numbers possible.

  Last Wednesday and Saturday the floor in the Shed was given 2 coats of paint. My thanks to members Ralph, Michael McCabe, Paul Trotta, Don, Garth, Wacka, Stevo, Bruce, and partner Jim Beare for helping me achieve this task in super quick time.

1) The District Assembly that was held yesterday at Prince Alfred College.

- It was well attended by all clubs in the District and is a great education and information day about all things regarding Rotary & Leadership including Club & District roles, duties, administration, membership, public image ,projects, Rotaract , Youth , grants ,partnerships , personal development etc. A great place to meet fellow Rotarians , network & have fun.
- Thanks to our club members who attended and helped out on the day .
- Special thanks to District Secretary and Jeff's DG & DGE Secretary David Fenton and his amazing support , both before and on the day.
- There were a few motions put to a special meeting that were voted on by all the President Elect's. (See pictures below from District Assembly)

2) Pre-Booking of Club accommodation for Jeff's 2022 District Conference in the Barossa.

- Jeff explained that it is important for members & the Club to ensure that pre-bookings for next years conference are done in the next few days. This will be handled by Margaret Beare.
- Margaret Beare then spoke in more detail on the urgency of booking accommodation

For next years'conference. The Conference is in Tanunda. You have to Book your own accommodation . It is all done online . But before you do, please let Margaret know where you wish to book and she will give you a special code that entitles you to a special discount arranged for the conference.

- It would be preferable that if you are on the Conference Committee or are associated with the management of the Conference that you stay at the Wiental as it will be easier for all.

- Note there is also a range of accommodation nearby to Tanunda & other towns . You are welcome to book there, but no special rate has been negotiated as per Tanunda township.

- **PP Benny Bosman gave a Rotary Information talk reflecting on his Presidential year 2019-20 In many ways it was a year of learning, upheaval, sorrow and achievement.**
  - **The learning part** was giving me a greater understanding of Rotary, our Club and it's workings.
  - **The upheaval** was the start of a new era called Covid-19. To this day it still wreaks havoc on our planet. Fortunately, we were able set up Zoom meetings after one canceled meeting. Although it wasn't ideal, we were able to stay in touch with each other and keep the Club functioning.
    Zoom meetings if nothing else gave us all a major learning opportunity. The attendance was extraordinary, we had many Rotarians from other Clubs attend. Guest speakers from near and far were able to present to us including Dr Jesse Harman who next year will join the Board of Rotary International. This would have been unlikely under normal conditions.
  - **The sorrow was the passing of 3 valued Members and 2 much loved Partners**.
  - **The achievements were** the induction of 5 new Members to our Rotary Club. Even with our major fundraiser being closed for a period of months we were still able to distribute over $80,000 to local and international projects. This was a year like no other.

The Sergeant at Arms
Rotary Club of Campbelltown

19 April 2021

My Dear Sergeant

I would like to thank the President, Board of Directors and members for allowing me to attend the beautiful wedding held at The Marche Club last Monday 12 April.

I am in receipt of the Cartoon of the night sent by Mr. Garth Holmes on behalf of Jessica. I am particularly offended by the title **"Local Camel Driver"** I cannot blame Jessica as she was not there on the night, however I know Garth has misled her.

"May a thousand fleas crawl up his nose."

I also regret that my dearly beloved and beautiful Cousin, ***Muhammed Ali Kamel Toe*** did not feature in the cartoon.

Please be advised that as Crown Prince in attendance last Monday, I am in a position to grant the Club

Royal Assent, to be named

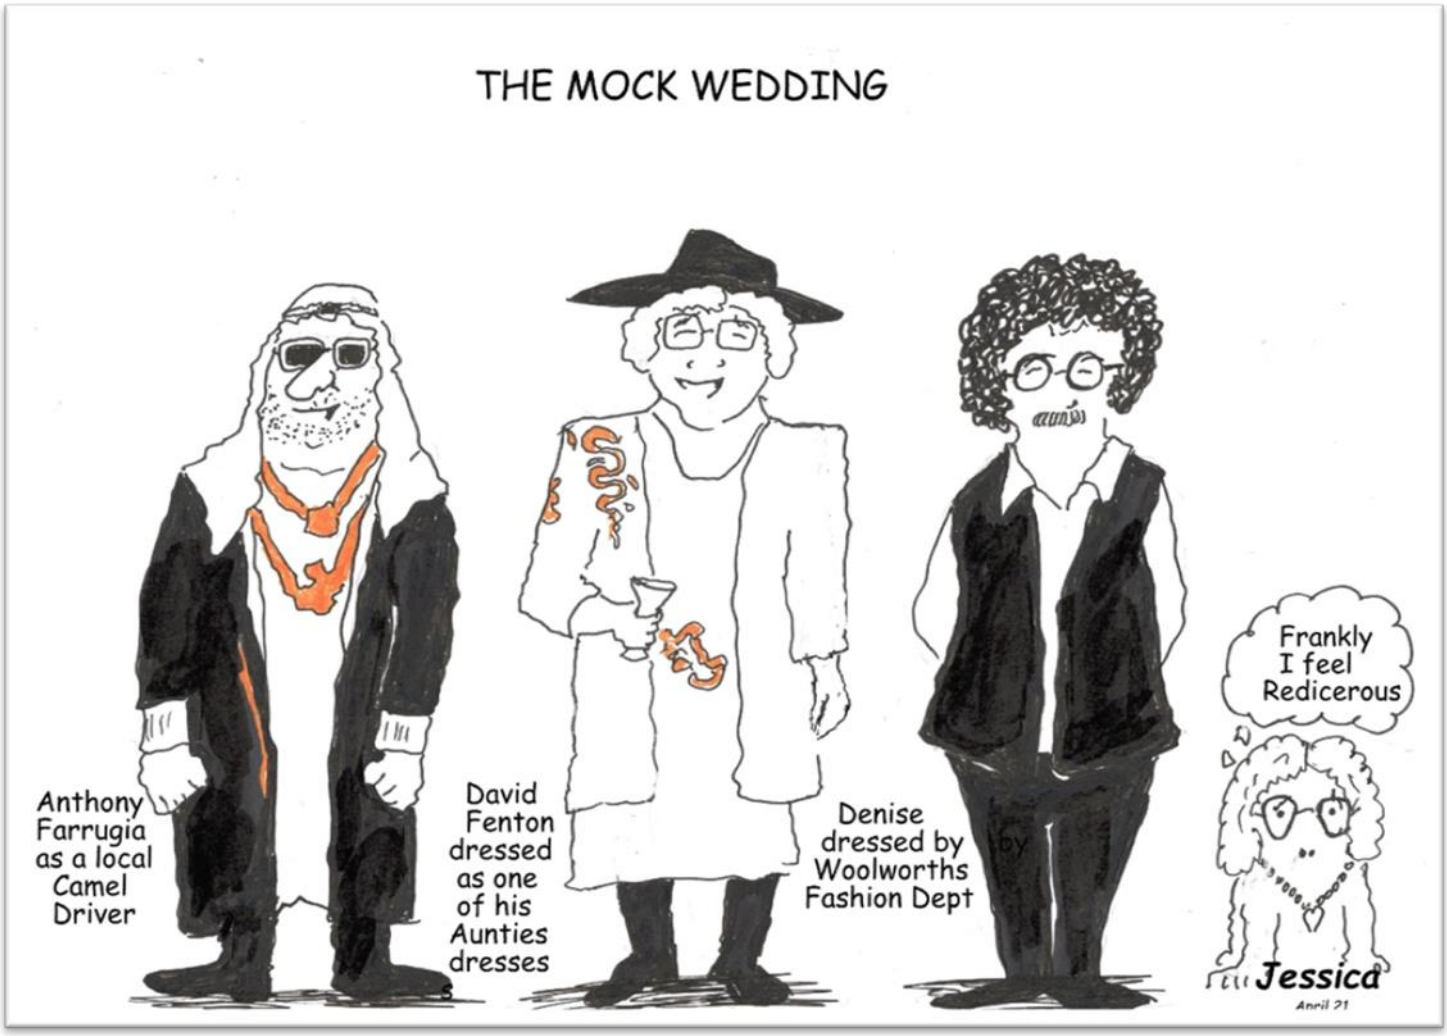

The Royal Rotary Club of Campbelltown

And I would be honoured to be the Patron of the Club.

Yours sincerely

Crown Prince

SUPERTEE had a stand at the District Assembly- it costs $50 per child for Kids in Hospital and is aly supported by a number of Clubs within the District but they need more support to get to more kids .

ABOUT SUPERTEE TM GARMENT

Shortly after his daughters first birthday, Jason noticed his little girl acting ill. Several visits to 4 different doctors resulted in a trip to Westmead children's hospital where after days of testing they found she had a rare type of cancer, Langerhans Cell Hystiocytosis.

"Nothing can ever prepare you for seeing your child battle something like cancer. It was like a bully hiding inside our child's organs and veins. And the only way to deal with it, was to stand up for her, knowing she was barely able to walk. We wanted to be her heroes, to give her the strength and courage to fight a massive battle with the rare Histiocytosis."

She had a 20% chance of survival.

Sitting by her hospital bed he thought what he could do to help her. Noticing how difficult it was to change her whilst she was connected to the iv drip and monitors. His 3yo son provided the inspiration needed when he dressed up as Batman saying he was going to rescue his sister.

Jason called his childhood friend, Yusuf, and together the two tradies, over many late nights, after defeating all odds, have created something which they hope will help make the lives of sick children, that little bit easier. "We want to empower little heroes everywhere, fighting their own battles with illness, to have the courage to win those battles."

With your support you can help this father and kids like his daughter gain access to this new product by helping to distribute the Supertee garments to as many children that need them.

It's been 3 years and a roller coaster of difficulties, but we have finally arrived. We also aim to raise funding for new treatments of childhood diseases and to support local hospitals and various children's charities and foundations.
