Note: Gail , in her role as a Rotarian generously puts up her hand to provide community support to the SAES. The SAES provides catering services to Emergency Services. When required the CFS will call them out for major fires to provide meals to the CFS members working on the fire front. Thank you, Gail. As they say “The Rotary way is to light a candle. I light one, you light one, 1.2 million Rotarians light one. Together, we light up the world.” An inspiration to us all.

Dear Past District Governors and others,

It is with deep sadness that I notify you all of the of the sad and sudden passing of Shirley Manser, wife of PDG Arthur Manser and valued member of the Rotary Club of St Peters. Shirley endured a medical episode on Wednesday that led to her passing overnight.

She will be sadly missed, and our thoughts are with Arthur and their family at this time.

I will further update you of funeral arrangements when known.

Yours in Rotary, David Jones DG Rotary District 9510 District Governor 2020-21

Margaret added that “Arthur and Shirley were good friends to Bob and me as they both followed in their footsteps by taking on the DG’s role as Arthur and Shirley before them. We spent time with them in their home in Berri. They moved to Adelaide and they both joined the Rotary Club of St Peters. Arthur is a past President of the Club.

Margaret has recently spoken to Arthur and he has asked her to let you all know . Many of you would know Arthur & Shirley. Shirley was such a lovely friendly and generous lady .
The funeral is on Friday.”

The Campbelltown Art Show is on again from 15 to 22 May 2021.

The Art Show is a community event held primarily to support artists and provide them with the opportunity to exhibit and sell their art.

We will require members to help prepare and run the Art Show.

A number of members sponsor the Art Show and I thank them. There may be new members who would also like to sponsor ?

The show includes paintings, pottery, porcelain, photography, and Aboriginal and Islander Peoples’ art. Last time we had 378 exhibits, 145 artists and 775 attendees.

Sponsors provide cash for artists’ prizes.

We include sponsors’ advertisements in the catalogue given to all attendees and on electronic screens at the event.

Sponsors are invited to the opening night to present artists’ prizes (and to enjoy food and drinks).

The Campbelltown Art Show is organised by the Rotary Club of Campbelltown and the Campbelltown City Council. It is held at the Campbelltown Function Centre, 172 Montacute Road, Rostrevor.

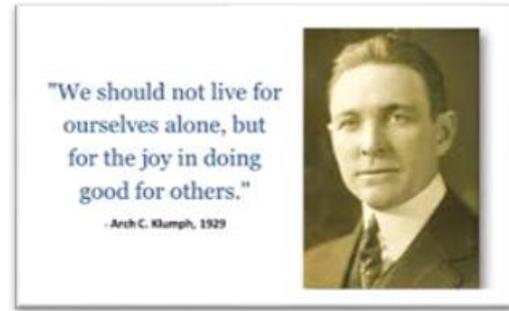

If any members are interested in sponsoring, please contact Michael McCabe.

- Peter Allen gave a report on the Community Service Zoo visit that was held last Friday night & another this Friday.

○ Peter had the pleasure of accompanying 31 women & children from the Women’s Domestic Violence Centre (pictured) to the Adelaide Zoo ,all sponsored by the club . Peter thanked Elizabeth Gagliardi, David Fenton, Aaron Stobie & wife Lauren, and Peter’s wife Joy who all took the time to make up 40 odd lunches for them so they could have them at the zoo. It required a fair amount of work, sandwiches of various types and by special request some vegemite sandwiches.

When it was announced on the bus there were all types of sandwiches the biggest cheer was for the vegemite ones! Saying “We love vegemite.”

We got to the zoo and given VIP treatment arriving about 5pm through a special gate and excluded from the public. The staff helped at the Rotunda with the meal setup and bottled water so when the group came back about 7pm they had a meal and after another excursion finished about 8:30pm .

○ Peter thanked Garth for reminding him to wear his red Rotary cap, so they could let him out of the zoo. ” Just because I have long arms doesn’t mean I look like an orangutang”

○ This Friday night we have 20 families from the migrant centre and 25 more from the bushfire.

○ In total 300 people. -that is men, women, and children, have been sponsored by this club to go through the zoo. Both nights are [zoo twilight sessions](#) from about 5pm -8:30pm.

○ Peter thanked the Club for sponsoring all those people. Everyone who attended had a marvelous time and they couldn’t thank us

enough.

○ At the conclusion of Peter’s report President Vince thanked everyone involved and a special mention to Enzo Piperone who helped manage it all.

Guest Speaker

- President Vince introduced George Belperio (not related). George was involved initially with Fasta Pasta and is now the Chair of Variety Bash SA.
- George spoke on the the two things that have been a big part of his life: -Namely Fasta Pasta and the [Variety Club](#).

Fasta Pasta was born in the basement of a premises in Pirie St in 1984, its head office is in Adelaide and it is now franchised with stores in SA, Vic and Qld.

George's family came out to Australia when he was only 4yo in 1968 and he grew up on this side of town at Glynde Lewis Rd/ Edward St. He was on the management committee in the 90's when they built this beautiful club here at San Giorgio. After school he had some odd jobs, worked 4 yrs at the ATO but the best thing he learnt was from 16-23 yo when he worked making pizzas and waiting on tables. He loved hospitality. In 1979 a gentleman & fellow worker by the name of Walter Ventura convinced him to open a restaurant together called La Mensa and that changed his life. From there with an additional partner, they opened another restaurant across the road La Fresco. They went from strength to strength, appealing to the public with their fresh and modern restaurant themes and new ideas. Eventually Fasta Pasta was born and grew to what it is today. George then spoke on how he got involved with Variety way back in 2000, it's history and the good work it does for children.

Origins of the Variety Charity : Way back in 1927 eleven men involved in the show business industry met each week at a social club named the "Variety Club". On Christmas Eve, a baby girl was left abandoned on the club's doorstep at the Sheridan Square Film Theatre in Pittsburgh with a note which read:

"Please take care of my baby. Her name is Catherine. I can no longer take care of her. I have eight others. My husband is out of work. She was born on Thanksgiving Day. I have always heard of the goodness of showbusiness people and pray to God that you will look after her. Signed, a heartbroken mother."

Despite an extensive search, the mother was never found. The men informally adopted the baby and named her Catherine Variety Sheridan. They paid for Catherine's education and upbringing. This prompted the club to start raising funds for other disadvantaged children and Variety – the Children's Charity was born.

It has 44 offices worldwide and it has been 35 years in Australia with SA Variety one of the most successful Charities per funds raised.....

As the Classics on The Park is on Sunday 28th March here are 3 Classic Car Jokes:

1. Surgical Precision

Five surgeons are taking a coffee break.....

1st Surgeon: "Accountants are the best to operate on because when you open them up, everything inside is numbered."

2nd Surgeon: "Nah, librarians are the best. Everything inside them is in alphabetical order."

3rd surgeon: "Try electricians! Everything inside THEM is colour coded."

4th Surgeon: "I prefer lawyers. They're heartless, spineless, gutless and their heads and their butts are interchangeable."

5th Surgeon who has been quietly listening to the conversation: "I like classic car restorers... they always understand when you have a few parts left over at the end."

2. Pulled Over.

A bobby pulled over a classic car driver and said, 'I'm arresting you for going through three red lights.'

'Yeah, well, I'm colour blind,' said the motorist.

'In addition to that, you were exceeding the speed limit,' said the policeman.

'So what?' said the motorist.

'And on top of all that you were going the wrong way down a one-way street,' added the officer.

'Huh ... I always did have a lousy sense of direction,' said the motorist with a smile.

At that point, his wife leaned forward from the back seat and said, 'Don't pay any attention to him, officer. He always talks like this when he's had a few drinks.'

3. Every Silver Cloud

Jonnie was driving down the road and he saw a 1962 Classic Rolls Royce Silver Cloud coming the other way. Although there was enough room to pass easily, Jonnie maneuvered such that the oncoming Roller was forced to slow down. Jonnie wound down his window and shouted 'Pig!'. The Rolls-Royce driver looked in his rear-view mirror raised his fist and swore profusely. But with that the Roller hit the pig!
